

**DO YOU WANT MORE  
OUT OF YOUR HEALTH  
CARE SERVICES?**

## **WE CAN HELP, FOR FREE!**

NW Momentum Health Partners (NWMHP) partners with health care practitioners across the Pacific Northwest to offer services that can help you maintain or improve your health.

Just a few of these services are listed inside this pamphlet. NWMHP offers services at no cost to you and these services do not impact your current Medicare benefits in any way.

Bring this pamphlet with you to your next visit with your Primary Care Provider or contact NWMHP to discuss if you are eligible for these services.

**NWMHP OFFERS SERVICES THAT ARE  
AVAILABLE AT NO ADDITIONAL COST.**

# AVAILABLE SERVICES

-  **Direct Admission to a Skilled Nursing Facility (SNF):** This service waives the requirement of a 3-day inpatient stay in a hospital before being admitted to a SNF.
-  **Gift Card Reward Program:** If you have certain chronic conditions, you may be eligible to join a voluntary program in which NWMHP can reward you with up to \$75 in gift cards for completing health care goals
-  **Home Visits:** NWMHP may be able to send a health care professional to your home to provide a preventive care home visit or a visit after you've been discharged from the hospital.
-  **Home Health Services:** You may be eligible to receive home health services even if you are not confined to your home.
-  **Support with Medical Expenses:** NWMHP may be able to help eliminate or reduce your out-of-pocket costs for certain services delivered by NWMHP participating practitioners.
-  **Community Resources:** NWMHP may be able to provide resources such as transportation, meal services, and other health care related items not covered by Medicare.
